STOCK  
FARM —  
ASHVILLE, OHIO  
ANNUAL SALE  
Monday, November 15, 1943**

The use of International grand champion herd bulls on such females as these has resulted in an UNPARALLELED SHOW RECORD for Oakwood Polled Shorthorns. This sale provides the opportunity to secure the choicest specimens of the breed.

## General Information

This auction sale will be held at Oakwood Stock Farm, owned by C. B. Teegardin & Sons, Ashville, Ohio, on Monday, Nov. 15, 1943.

The sale will start at 1:00 P. M. Lunch will be served at the farm.

Oakwood Farm is located 16 miles from the city of Columbus, Ohio. To reach the farm from Columbus, take U. S. Highway No. 23 south, ten miles to Oakwood Stock Farm sign at cross road. Turn left and go through Duvall, Ohio, six miles east to Madison Township School. Turn right to farm — one half mile.

We ask all who travel by train to advise us in advance so that we can meet them in Columbus.

We suggest that you come to the sale early so that you will have an opportunity to inspect the Oakwood herd of breeding cows as well as our International champion herd bulls — Gosshall Ximines, Oakwood Nonesuch and Oakwood Major.

The auctioneers will be A. W. Thompson, J. E. Halsey and C. M. Hess.

Those unable to be present and who desire to do so may send buying orders to any of the following men, all of whom will be in attendance:

Hal Longley, The Shorthorn World, Aurora, Ill.

Dan Cox, The Eastern Breeder, Warrenton, Va.

Clinton K. Tomson, American Shorthorn Breeders' Ass'n., Chicago, Ill.

F. W. Harding, 807 Exchange Ave., Chicago, Ill.

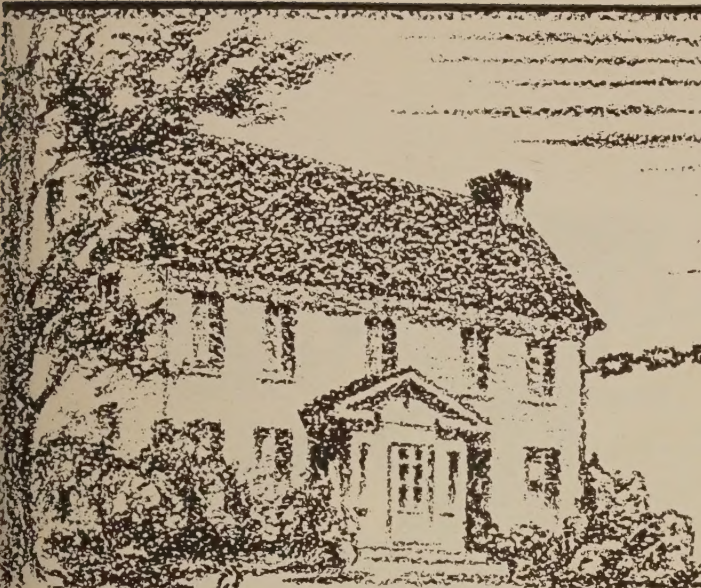

*Please Note* — The Ohio Polled Shorthorn Breeders will offer an outstanding lot of cattle at Columbus, Nov. 16th. Get your catalog from Hal Longley, 37 Island Ave., Aurora, Ill.

Lynnwood Farm is selling Nov. 17th at Carmel, Indiana — address them for a catalog.

150 Head of Polled Shorthorns selling in this series of sales should warrant the presence of every Polled Shorthorn enthusiast.

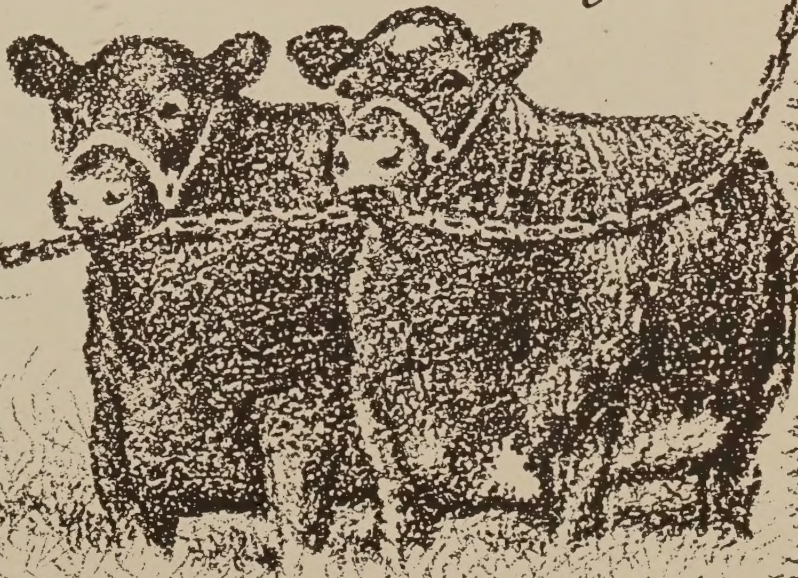

*Due to the War Effort and Shortage of Paper  
Please bring this Catalog with you to the Sale.*

*There'll always be a  
hearty welcome at Oakwood  
Stock Farm for those who  
share our love for good  
Rolled Shorthorns—*

*Paul and Clara Teegardin*

## Guarantee —

All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

## Terms

The terms of the sale are cash.

## Health

The Oakwood Polled Shorthorn herd is Federally Accredited for Tuberculosis and is tested regularly for Bangs Disease. Health Charts will be provided that will comply with the regulations existing in any state.

## Headquarters

Headquarters for our sale will be at the Neil House in Columbus, Ohio. Our farm is located 16 miles South of this city. If you come to the sale by car, please conform to government rulings by inviting your neighbor breeders to ride with you. If you come by train or bus, simply go to the Neil House in Columbus and we will provide transportation to the farm if notified.

We will do everything in our power to insure the safety of sale day guests but we assume no liability for accidents of any nature.

Sonny Teegardin

Miss Carol Teegardin

We want to express our appreciation of the cooperation of our herdsman, Harvey Ferguson and his helpers. They have met the emergency of carrying on with the shortage of farm labor by putting in longer hours in an effort to present this offering in good form.

# We Invite You —

We extend a cordial invitation to every Polled Shorthorn enthusiast to be our guest at Oakwood Farm, Monday, November 15, 1943.

The display of confidence of the buying public in our past three auctions, as indicated by the price precedents they established, inspires in us a firm determination to offer in this auction the best productions both bull and female, of our planned breeding programme, covering a span of more than a quarter century.

Eight International grand champion bulls have been developed and used here. The influence of such sires will be reflected in this offering. With Oakwood Nonesuch and the addition of the great imported bull, Gosshall Ximines, we feel our battery of herd sires is stronger than ever.

There can be no doubt that the cattle in this sale will write future Polled Shorthorn history — to that end we have given our all. We commend them for

your approval with confidence that those who will avail themselves of the opportunity, will be our friends and boosters in the future.

# THE PARADE OF TEEGARD

Eight International Grand Champion bulls have been exhibited by C. B. Teegardin & Sons. All have been used in the herd and six were bred in the herd.

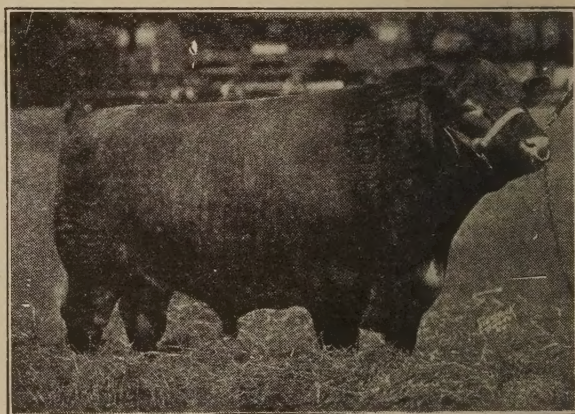

## 1927

Oakwood Baron x, grand champion bull at the 1927 International and American Royal Live Stock Shows. Used with great success at Oakwood Stock Farm and sire of Oakwood Rodney, the 1929 International grand champion. He was sired by Royal Count Jr., also used at Oakwood.

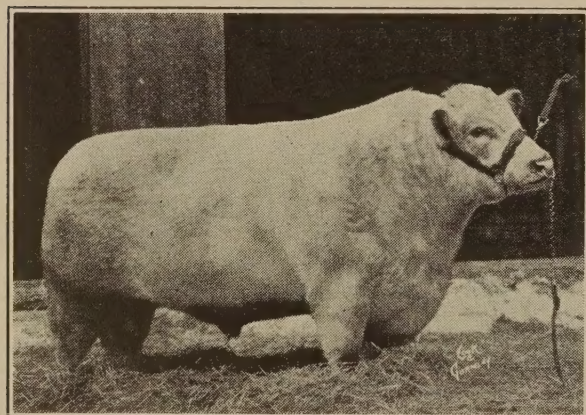

## 1929

Oakwood Rodney x, grand champion bull at the 1929 International and American Royal shows. Sold for export to Uruguay at \$2000.00 in 1930. His son Oakwood Resolution was a champion at the 1933 International and sold for export to Australia. Sire, Oakwood Baron.

## 1930

Oakwood Royal King x. "The Breed's Greatest Sire." Grand champion 1930 International Live Stock Show. Sire of four International grand champions and five first prize International Get of Sire groups. No bull ever made a greater record. Spent his entire service at Oakwood Farm. His blood dominates the herd.

## 1934

Oakwood Regent x, grand champion bull 1934 International and at the Illinois, Ohio and Indiana State fairs. Sire, Oakwood Royal King. His dam also produced two other International champion bulls.

# DIN GRAND CHAMPIONS

← 1936

Oakwood Emperor x, grand champion at the 1936 International Live Stock Show as well as the Ohio, Indiana and Illinois State Fairs and the Texas Centennial. Sire, Oakwood Royal King. Dam, a daughter of Oakwood Baron. Now in service at Oakwood Farm. His calves are leading winners.

1939 →

Oakwood Merry King x, 1939 International grand champion and 1938 International junior champion. Won similar honors both seasons at the Illinois, Ohio, Indiana and Virginia State Fairs. Sire, the 1930 International grand champion Oakwood Royal King. Dam, by the 1925 International grand champion Mardale. Now in service in our herd.

← 1940

Oakwood Commander, junior champion 1939 International and undefeated grand champion in 1940, including the International Live Stock Show. Used in the herd and later sold to Geo. F. Smith, Keokuk, Iowa.

1941 →

Coronet Command, 1941 Grand champion bull at the International, the Ohio, Maryland and Virginia State Fairs. He was the undefeated junior champion of 1940 at the International, the Illinois, Iowa and Nebraska State fairs in 1940. We purchased this outstanding young bull before he was shown at the International last season to use in our herd. We have great confidence in his ability to sire the better kind.

---

For five consecutive years the "get of sire" class at the International Livestock Exposition was headed by the sons and daughters of the International grand champion, Oakwood Royal King. No other Polled Shorthorn bull has ever equalled or even approached this record. His blood will be the feature of this sale.

This group won first prize in the get of sire class at the International Live Stock Show in 1934. All were sired by the 1930 International grand champion bull Oakwood Royal King.

This group won first prize in the get of sire class at the International Live Stock Show in 1935. All were sired by the 1930 International grand champion bull Oakwood Royal King.

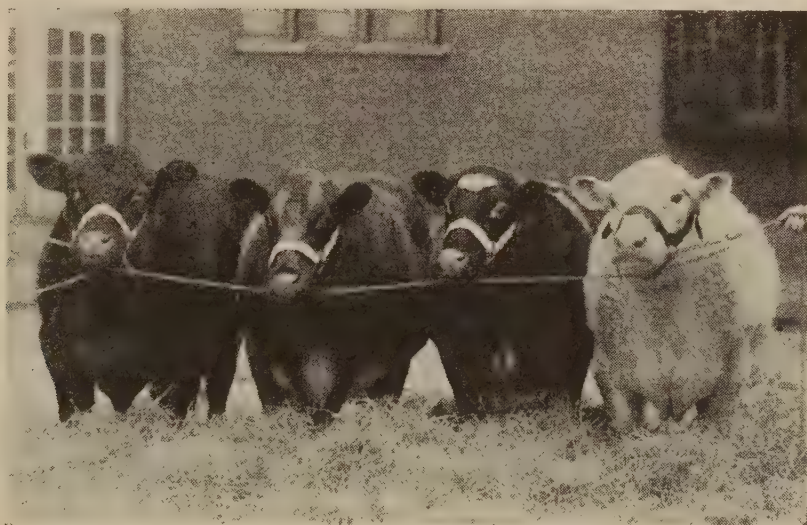

This group won first prize in the get of sire class at the International Live Stock Show in 1936. All were sired by the 1930 International grand champion bull Oakwood Royal King.

This group won first prize in the get of sire class at the International Live Stock Show in 1937. All were sired by the 1930 International grand champion bull Oakwood Royal King.

This group won first prize in the get of sire class at the International Live Stock Show in 1938. All were sired by the 1930 International grand champion bull Oakwood Royal King.

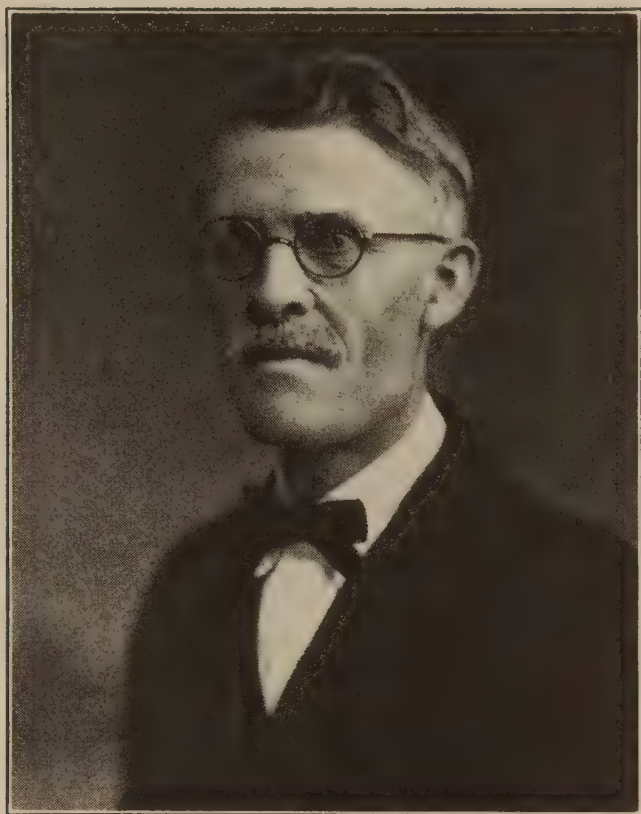

This "get" of Oakwood Emperor won first prize in class at the 1941 National Polled Shorthorn Show which was held this year in connection with the Illinois State Fair. Oakwood Estelle 15th, Lot 11 in this sale, is the second animal from the right.

This get of sire by Oakwood Merry King won first prize in 1941 at the Ohio, Maryland and Virginia State Fairs.

The first prize three bull group at the 1937 International Live Stock Show. All were sired by Oakwood Royal King. This group also includes the undefeated two bull group.

C. B. Teegardin

ALTHOUGH all of the credit for this excellent sale offering rightly belongs to the present generation of Teegardins, it is only fitting that due recognition be given in this souvenir catalog to the work of the late C. B. Teegardin. It was his confidence in the Polled Shorthorn breed that resulted in the founding of the Oakwood Herd and his vision, cooperation and guidance that made possible today's unparalleled source of supply for Polled Shorthorn seed stock. His duties as a banker and businessman never took precedence over his vocation as a farmer and stockman, and it was through his leadership in this latter field that he earned the title that brought him greatest pride . . . Master Farmer. Under his guidance, Oakwood Farm, always operated as a practical stock farm and never as a hobby, was built to its present five hundred acres, and seven sons and daughters whom we all admire were reared and educated.

—Hal Longley of The Shorthorn World.

Gosshall Ximines 2127336 (Imp.)

**That the position of Polled Short-horns as a breed would be materially strengthened, this great imported bull was purchased —**

# Imp. Gosshall Ximines

When Gosshall Ximines was sold at the 1942 International Shorthorn Sale, Shorthorn breeders were unanimous in their opinion that he was the greatest prospect for a sire that had been offered in a generation. That he should sell for the top price at auction in this country in over two decades, was indicative of their confidence in his future.

At that time we had in service at Oakwood three International Grand Champion bulls, but we felt that Gosshall Ximines could write a new chapter in Polled Shorthorn achievement to use him upon the daughters of these bulls and, in cooperation with Montana Hall, we purchased this bull at \$5700.

His sire, Coldoch Union Jack, was the Supreme Champion at the Perth Show in 1932. That he has proven himself an equally noted sire is now history. Through Coldoch Union Jack and his second sire, Beaufort Overture, Gosshall Ximines is line bred in the blood of Naemoor Jasper, the top sire of Scotland over a long period of years. While through his third sire, Collynie Nobleman by Balcairn White Eagle, sire of Collynie Royal Leader, he gets an infusion of that most pre-potent blood.

It is significant to note that the 1939-1940 and 1941 Perth Supreme Champion bulls represented the combined influence of Collynie Royal Leader and Naemoor Jasper bloodlines and the inheritance back of Gosshall Ximines leaves no doubt in our minds that his individual excellence and outstanding type will be transmitted to his get and they, in turn, to their get.

Before coming to Oakwood, Gosshall Ximines had sired calves at Anoka Farm to be rated as the most promising ever produced at that famous nursery. A recent letter from Mr. F. W. Harding tells us that these calves are developing as they promised.

His first calves have arrived at Oakwood and they hold such promise as to fulfill our fondest hopes for him as a sire. They are outstanding from every angle and we feel that each heifer being offered in this event, carrying the service of Gosshall Ximines, will make a real contribution to the breed and the herd that is so fortunate as to secure her will be likewise strengthened to an extent that will be hard to anticipate.

We want every visitor to study this bull, for today he is more impressive than at the time of purchase, truly a study in Shorthorn excellence. We want everyone to see his calves and be convinced that our confidence in Gosshall Ximines will be vindicated and that the position of Polled Shorthorns as a breed will be materially strengthened.

service at  
Oakwood Stock Farm —  
5 of his best daughters  
sell.**

Oakwood Emperor — Has proven himself the top sire of the breed by the winnings of his sons and daughters at the leading shows of 1938-39-40-41. He was the undefeated Grand Champion bull of 1936 at the International, the Texas Centennial and the Illinois, Ohio and Indiana State Fairs. His pedigree reveals his inherited right to become a sire of high repute. He is a son of Oakwood Royal King who was 1930 International Grand Champion and the greatest sire of the breed in the past decade being voted a two to one choice by the breeders of the country as the breed's greatest sire. The dam of Oakwood Emperor was by the 1927 International Grand Champion Oakwood Baron who also sired Oakwood Rodney, 1929 International Grand Champion. Oakwood Pure Gold, a son of Oakwood Emperor, was the grand champion bull at the 1941 National Polled Shorthorn Show and was the top selling bull of our sale in 1941. Oakwood Estelle 15th, a daughter of Oakwood Emperor, was the top selling female in over two decades when she was purchased in our 1941 sale at \$1200 by Dr. Parke G. Smith, Cincinnati, Ohio. His greatest claim to fame is Oakwood Nonesuch and the equally promising daughters being sold in this sale.

Oakwood Nonesuch

We have retained Oakwood Nonesuch for herd bull duty at Oakwood because in him, we have what good judges agree is the most outstanding bull of the breed produced to date. We have shown eight International Grand Champion bulls, but Oakwood Nonesuch is distinctly the "most of the best" that we have ever produced. He is bred to be a most impressive sire, his dam being a dark roan daughter of Oakwood Royal King, thus, he is a double bred grandson of the greatest sire in history. His second dam was a red cow who was a full sister to Oakwood Baron, our first International Grand Champion bull, and a half sister to Oakwood Rodney, 1929 International Grand Champion bull who was exported to South America in 1930 at \$2000. Only the best heifers have been mated to Oakwood Nonesuch and never in the history of Polled Shorthorns has such a select lot of heifers been offered carrying the service of such an outstanding bull. When you study Oakwood Nonesuch we are certain you will share our confidence in him and his ability to make a distinct contribution to Polled Shorthorn progress.

**Oakwood Merry King**

**Oakwood Merry King** — Was the undefeated junior champion of 1938 at the International, the Illinois, Ohio, Indiana and Virginia State Fairs. In 1939 he was the undefeated grand champion at the same shows. His calves indicate that he may easily prove himself the breed's greatest sire. The record of his get in the best shows of both 1940 and 1941 is now history, indicative of what might follow. While there have been no shows this season, the best judges concur in the opinion that the calves by **Oakwood Merry King** would have been invincible in the strongest competition. Five of his most promising sons — everyone of top rank — are being offered along with seven of his most attractive daughters. Each in turn will make history for their new owners. This is the greatest opportunity to reap the benefits of over a quarter century of breed improvement that has ever been presented. After studying the merit of the calves **Oakwood Merry King** is siring, the worth of the heifers carrying his service will be unquestioned.

Coronet Command was the undefeated Junior Champion bull at the 1940 Illinois, Iowa and Nebraska State Fairs before we purchased him to bring him to Oakwood. He was made the Junior Champion bull at the International shortly afterward and came back in 1941 to be crowned the Grand Champion bull of the year at the Ohio, Maryland and Virginia State Fairs and the International. We have much confidence in him to pass on his unusual thickness, depth of body, full quarters and compactness to his calves, for he is from a grand, red cow and sired by the 1937 International Junior Champion Cherry Coronet, who, in turn, was by the International Grand Champion Count Coronet. Count Coronet was by a half brother to Oakwood Royal King and we are thus continuing our line breeding policy. See his calves and you will appreciate why we are so enthusiastic about him. Coronet Command has been at Montana Hall during 1943 but he is coming back for further service at Oakwood in 1944.

## *Facts Worth Remembering and Considering —*

We have developed and shown eight International Grand Champion bulls. All eight of these bulls have been in service in our herd, where we have mated them to the most outstanding cows we could produce and that money could buy, always satisfying ourselves in each case that their breeding and inheritance were absolutely right!

Our show record stands unparalleled!

At the past sixteen Internationals, Oakwood Polled Shorthorns have won thirty championships, one hundred thirty-seven first prizes and eighty-eight second prizes! It is an honor to any herd to have in use a bull capable of siring a winning Get of Sire Group at this great show. We feel it noteworthy to emphasize the fact that seven times we have bred and shown this most coveted group to win first place at the International Livestock Exposition. Furthermore, in seven out of these past 16 Internationals we have ALSO stood in SECOND place to the winner of this most desired honor of all. ON the other hand, no other breeder in the country has ever won more than twice on the Get of any one of his herd bulls. Is not this really top-notch consistency of performance of the type we have striven to produce?

In a nation-wide contest conducted by The Shorthorn World, Oakwood Royal King was voted by popular ballot to be a two to one choice as the breed's greatest sire of all time! Oakwood Royal King spent his entire life of service here in the Oakwood herd!

As further evidence of the influence of Oakwood Royal King in breed improvement, we submit to you the fact that, with his sons and grandsons, we have succeeded in heading the class for the best three bulls at the International Livestock Exposition for ten consecutive years! (In 1938 and 1941 we stood both first and second in this class.) This record, a general acclamation of the best judges in this country, speaks for itself in being conclusive proof of the superior performance of the animals that have resulted from the carefully outlined programme of the Teegardins.

PUBLIC APPROVAL gave us the top sale of the breed in 1940. By the same token we were accorded the top sale in 1941. We repeated in 1942. Our 1943 offering will be the strongest lot of cattle EVER SOLD IN BREED HISTORY.

Oakwood Major

We have retained Oakwood Major to carry on the tradition of his noted sire, Oakwood Merry King. He is out of a great breeding cow who has never failed to produce an outstanding calf. We have exported her sons to New Zealand, to Australia and to South America, while her fourth son went to Moise Cerf in Texas. Each bull has proven an excellent sire and her daughters are doing a splendid job in our herd. Oakwood Major looks the part of a sire and he inherits the right to stamp his calves with his excellence. We are offering a couple of heifers mated to him and we expect the calves to be of championship calibre.

# *Where Breeding Counts*

It must be a source of great satisfaction to the members of the Teegardin family to be able to publish such a catalog as this one, to list eight International grand champion bulls that were developed in the herd and that were used to reproduce their kind in the herd and to list this grand array of Polled Shorthorns for sale.

In August the Ohio Polled Shorthorn Breeders' Association held its picnic and meeting at Oakwood Farms and I was privileged to attend and, during the day to visit the barns, the lots and the pastures where the Oakwood Polled Shorthorns are kept. Naturally the cattle that had been selected for this sale were shown to us. It was the consensus of all present that no better lot of young cows and heifers, ever had been assembled for one breeder's sale than those that are to be sold in this auction. The bulls too were much admired and it was predicted that those who will buy them will improve their herds and thus promote greater interest in Polled Shorthorns.

The herd bulls, especially Oakwood Nonesuch and Gosshall Ximines, are without doubt two as impressive sires as any herd can boast. The matrons that produced the bulls and heifers that are being sold are second to none. When breeding such as is practised at Oakwood Farms is responsible for a sale offering, one may expect to be able to buy cattle second to none and that is just what is in store for those who buy Oakwood Polled Shorthorns on November 15. — Will Johnson of *The Shorthorn World*.

## **About the Bulls in This Sale**

Seven bulls are to be offered in this auction. They represent the top of a year's production and never before has the bull offering contained as much herd bull strength. Individually they are of the highest calibre. Each is a son of an International grand champion — four of them are out of dams sired by International grand champions — and four granddams are likewise sired by International grand champion bulls. Oakwood bred bulls are making good because they are BRED right to make good. The position of your herd can be strengthened by the purchase of a bull from this offering.

— Hal Longley

## **Attend the Ohio Breeders' Sale**

Plan to attend the Ohio Polled Shorthorn Breeders' Ass'n. Show and Sale on Tuesday, Nov. 16th, the day after our sale. This sale will be held in the new Horse Show and Sale Pavilion at 677 Taylor Ave. in Columbus, Ohio. Headquarters in Columbus — the Neil House.

Let us make your reservations for you.

## **And don't forget —**

We invite everyone to spend Sunday with us at Oakwood and see every member of the breeding herd along with the sale offering to be sold on Monday.

Oakwood Commander x1957500

Oakwood Commander x1957500 — It is generally conceded by the country's best judges that Oakwood Commander was the greatest individual that had been developed in the Polled Shorthorn breed up to that time. He was the undefeated junior champion of 1939 and the undefeated grand champion of 1940. Only after using him liberally in the Oakwood Herd did we consider selling him. He is now in the herd of Geo. E. Smith, Keokuk, Iowa where he is making breed history. He is a son of the 1941 International grand champion, Collynie Sensation and was out of the same dam as Oakwood Lieut. Commander, the sensational young bull that is selling in this sale. See Lot 1.

# The Opportunity Bull of a Generation — Oakwood Lieut. Commander is it!

Never before have we offered a bull that we regard as highly as we do Oakwood Lieutenant Commander, for he is the most outstanding prospect we have ever sold. He has the head of a sire, is short of leg, deep of body, true in his lines, full in his quarter, level in his tail setting, smoothly fleshed and a bull that possesses style and character so essential in real show bulls and outstanding sires.

There can be no doubt of his worth when you consider the record of his parents. Oakwood Merry King is proving a worthy successor to his sire, Oakwood Royal King. Oakwood Hope 2d produced Oakwood Commander, 1940 International Grand Champion bull, as her first calf. Her second calf was Oakwood Gold Standard, who topped our 1940 Auction to head the herd of J. M. Fishpaw & Sons in Virginia, where he is siring a grand lot of calves. The next calf is a heifer who has been retained in our breeding herd and she is priceless.

Oakwood Hope was one of our greatest show cows, being undefeated in 1930 at every show, and Grand Champion female at the Eastern States Exposition in horned competition. Royal Count Jr. was twenty times a champion in this country's strongest shows and in 1930 was voted the breed's greatest living sire, based on the winnings of his sons and daughters and his grandsons and granddaughters at the International. Backed with such unrivaled heritage and performance, Oakwood Lieutenant Commander has the qualifications to warrant his being the top most bull ever offered. His inheritance is studded with achievement. The attention of the entire Polled Shorthorn fraternity will be drawn to the breeder who is enterprising enough to appreciate the worth of this young sire. What he costs isn't important, for he represents the herd bull opportunity of a generation. We do not have a picture of this grand calf, as it is only a decision at the last moment to sell a better bull than we have ever offered that prompts us to part with him.

**Oakwood Coronet Command** is a perfect dark roan and a most outstanding herd bull prospect by the 1941 International Grand Champion Coronet Command. His dam is a dark roan of correct type, a heavy milker and she has always produced an outstanding calf. Sultan's Challenge was sold to head the Munro herd in Australia at \$2000. The second dam is a full sister to Oakwood Regent, our 1934 International Grand Champion bull, and the third dam produced three bulls to win International Championship honors. Analyze the bulls in this pedigree from top to bottom; they stand for the best in Short-horn achievement and this calf has herd bull promise worthy of such heritage. Study his depth of body, remarkable thickness and full quarters. Note his covering of thick, natural flesh, his sappy hide and you will appreciate that in this bull some herd may become famous through his service. Consider him thoughtfully, for he is one of the best prospects we have ever offered, impressive from any angle.

Oakwood High Command is a solid red, deep bodied, very compact bull of unusual inheritance, by the 1941 International Grand Champion Coronet Command. His dam is a grand-daughter of the five times International Grand Champion Ceremonious Sultan, solid red in color and a grand brood cow. Seldom is a bull available with such a concentration of Avondale and Whitehall Sultan blood. When you study the get of Coronet Command you will appreciate the possibilities of prominence that this calf can take to some top herd. Oakwood Major General is a show and herd bull prospect of the front rank and represents all you could desire in a real breeding bull. He looks exactly like his sire at the same age and we predict that he will be capable of the same accomplishment. His dam is a dark roan, very deep bodied, compact, heavy milking daughter of Oakwood Royal King and she produced the second top selling bull in our 1943 Auction in the solid red bull purchased by Moise Cerf of Texas. This is the only bull available in our herd whose pedigree carries six International Grand Champion bulls! He looks the part of his unusual inheritance and we feel he is worthy of heading the strongest herd in the country. His heritage, his grand head, his compactness, the remarkable levelness of both top and bottom lines, and his smoothness, all these qualifications place him in a distinctive class.

Oakwood Royal Heir 2d is one of the most impressive herd bull prospects we have ever produced and a breeding prospect of the highest class. Short of leg, deep, of body, thick, full in his quarters and with a head that promises that he, like his sire and his grandsire, will be another one hundred per cent dehorner. His dam is a solid red cow who is a three quarters sister to Oakwood Harmony, the three times championship winner at the International. We can recommend this calf with the fullest confidence. Study him carefully, for, having three International Grand Champion bulls on top of the famous twenty times champion Royal Count Jr., there is nothing left to be desired in assurance of his worth.

Oakwood Brigadier General is a dark roan bull of thickness, depth and balance. He is out of the same dam as Oakwood Commander Jr., the first prize winner now siring such promising calves in the Kilcawley herd. A daughter of this cow is being retained in our herd and she is priceless. Five International Grand Champion bulls in this pedigree combine to insure his worth as a sire and we offer this bull with the confidence that he will make good. He looks the part of a stock bull. Diamond Dreadnaught—sire, Cudham Dreadnaught 860431 by Sanquhar Dreadnaught 680399, out of Rosetta 6th 860433. Dam, Queen of Scots 23d 689431 by Diamond Knight 379690, out of Queen of Scots C 186436.

Oakwood Augustus King has the head of a sire and, withal, he is very compact, closely coupled and smoothly turned. His dam is a solid red, heavy milking cow. A full sister sold in our 1942 sale to go to Farnley Farm in Virginia, and she was one of the best. This calf will have many admirers and we fully expect him to make a top sire. In addition to being a son of an International Grand Champion, his second sire topped his class at the International and his third sire was a son of the great sire, Cudham Dreadnaught, followed by the \$12,000 Dale Augustus. Such inheritance is worthy of due consideration.

If some far sighted beginner had the courage to buy the ten best females in this offering along with the best bull in the sale, within the span of five years that beginner would be recognized as owning the best Polled Shorthorn herd in the country. He would not have the MOST cattle but he would be sure to have the BEST.

A familiar scene on Oakwood Stock Farm. This sale represents an opportunity to purchase the results of over 25 years of constructive effort in the production of the best in Polled Shorthorns.

Here are five of the beautiful brood matrons in the Oakwood Herd. Left to right — Oakwood Harmony, Oakwood Lavender 10th, Roan Lady of Oakwood, Oakwood Estelle 12th, the 1940 grand champion and Oakwood Julia. All are daughters of the International grand champions Oakwood Royal King and Oakwood Emperor. Many superior animals, bred just like these, are to be sold in this sale.

## *About The Females In This Sale*

Because we pledged ourselves to sell in this offering the fifty best Polled Shorthorns that have gone into an auction sale in the history of the breed, we have gone deep into our herd and are offering a number of outstanding young females that, under ordinary circumstances, would be unavailable. We ask you to note carefully the strong Scotch families that are represented as well as the number of females that have been produced through the blending of the blood of SEVERAL International grand champion bulls. Twenty daughters of International grand champion bulls are to be sold. Twelve of these twenty are out of dams by International Grand Champion bulls; ten are from grand dams by International Grand Champions; a total of five are sired by sons of our Grand Champion bulls.

Weigh the worth of females of such matchless inheritance. Never in the history of the breed has their kind been available in such numbers.

In over a quarter century that Polled Shorthorns have been bred at Oakwood we have never had in service as impressive an array of herd bulls. Twenty-nine females are selling mated to these bulls and one is selling with a breeding privilege.

Oakwood Lavender 18th

**America's Number 1 Polled Shorthorn Female**

**Perfect in color**

**Ideal in conformation**

**Faultless by inheritance —  
and she is Lot 8 in this catalog**

Oakwood Lavender 18th, a daughter of Oakwood Emperor, 1936 International Grand Champion bull and Oakwood Lavender 10th, our 1938 International Grand Champion female, is without a doubt the most valuable heifer of the breed today.

This heifer is a double granddaughter of Oakwood Royal King, the greatest sire in breed history. Her third sire is a grandson of Imported Vilager, followed by a grandson of Avondale. The next three sires are three of the best bulls that ever left Scotland and the balance of her ancestry came down through the Cruickshank herd.

Individually, the heifer is equal to her heritage. Sweet headed, deep bodied, level in her lines, smooth and balanced, she is a show heifer and a breeding prospect of the highest capacity. We are offering her with a breeding privilege to Imported Gosshall Ximines and we anticipate the calf from this mating to be one of the greatest individuals ever produced! We offer Oakwood Lavender 18th with pride, as the most valuable female we have produced in over a quarter century of Polled Shorthorn breeding effort!

Oakwood Gloster C is very definitely one of the most outstanding, most promising and most valuable heifers ever to grace an auction ring. Study her from any angle — her head, her depth of body, her great thickness, her shortness of leg and her perfect dark rich roan color. No heifer of this most popular of all families is backed by the names of more bulls who have been famous as sires. Few heifers ever had dams of such outstanding excellence as that of her dam and she is a priceless member of our breeding herd. If we did not have a full sister to this heifer, she would never be offered. Her full sister was the top female in our 1942 sale at \$1410, selling to Dr. and Mrs. Parke G. Smith of Cincinnati, Ohio. We realize our breeding programme will be hampered without her. We do not know her value, but we feel she can do as much for her new owner as this family has done for us. Her calf by Imported Gosshall Ximines should be one of the most outstanding and most valuable ever produced in the history of the breed.

Oakwood Lavender 19th is a heifer that we had planned to retain in our herd, for we know that she is certain to make history as a producer. We offer her as an attraction and she could be a top female in ANY herd. There are no better cattle in the herd books than those descending from Imported Lavender Bloom. Her dam raises two calves for us and her two daughters in the Cerf herds in Texas are proving to be exceptional breeding cows. Every sire in her pedigree gives assurance of her worth and she is one of the most valuable females to ever leave our herd. Owning her kind is your guarantee of success.

# POLLED SHORTHORNS

## "THE ULTIMATE TYPE"

The get of five International grand champion bulls are represented in this picture. Only at Oakwood Stock Farm could such a picture be taken because Oakwood is the only herd that has produced or used eight International grand champion Polled Shorthorn bulls.

**Oakwood Missie 11th** is one of the most auspicious brood cow prospects we have ever offered. We regard these Edgcote Missies as the very best and we are retaining the priceless twin sister of this heifer in our herd. A full sister in our 1942 sale went to the herd of Albert Hultine & Sons in Nebraska. She, too, was of the same pattern. Doesn't this heifer look like the kind that would strengthen the strongest herd? Please note the fact that her merit was inherited from the same sire as the great bull Oakwood Nonesuch. Her dam is a full sister to the dam of a Grand Champion steer at the American Royal. Victor Prentice was an outstanding son of Prentice and the best sire used at Sni-a-Bar Farm. Imported Ascot Frolic left some great daughters and was bred very much like Imported Rodney. Count Avondale was a full brother to Count Avon, an International Grand Champion bull by the celebrated Avondale. It would be impossible for us to recommend this truly distinguished heifer too highly.

Oakwood Missie 10th is just as outstanding as she looks and her inheritance is equally impressive. She is a show heifer from any angle, being short legged, sweet headed, very compact and deep bodied. She is possessed of style and real breeding character. We have felt that the continued use of International Grand Champion bulls, one upon another, would work real breed improvement. We submit this heifer as ample testimony. We promised to sell the best lot of cattle in this auction that has ever been offered in any Polled Shorthorn Sale and this heifer is not only one of the best in the offering, but one of the very best in the breed as a whole. Analyze her; visualize her four International Grand Champion sires; weigh the record of every cow back to Imported Mistress Ethel; you will find nothing more to be desired. Her cost? It is of little consequence. Own her and she will prove it to you!

We are listing Oakwood Delight as a distinct attraction. We have retained the daughters of Oakwood Royal King in our herd and not one of them has been offered in four years. They have proven grand brood cows in our herd, just as they have proven themselves in other herds in this country and in foreign lands. This cow is a splendid individual and one of the youngest daughters of the greatest sire in history. She is, further, a full sister to Oakwood Harmony, three times a championship winner at the International and a cow that was also a producer of outstanding breeding daughters. A son of Oakwood Delight heads the good herd of John Hoffmann & Sons in Illinois and she has never produced anything but a real calf. We know how much it will mean to herds being established to number among their foundation, a cow of such individual merit and unexcelled inheritance. She sells with a dark roan heifer calf at side by the 1941 International Grand Champion Coronet Command and she will be re-bred to Gosshall Ximines. We have never known any female that represented as much real value to be offered and we feel confident that she will be appreciated by those who aspire to build their herds from animals of distinctive qualifications.

Oakwood Juanita Joy is one of the shortest legged, thickest, lowest set heifers in the offering. A show heifer from end to end and from a family that has produced many of our best. Note her breeding; she is out of the last daughter of the celebrated sire, Royal Count Jr. This cow is the dam of Oakwood Impression Jr. who sired Maxwalton Walkaway, top bull at the 1942 Congress Show and Sale, as well as the Grand Champion female at the 1942 Omaha Show and Sale. Another son was exported to South America where he is siring great calves for the Bovril herd. Her second dam was a Junior Champion at the Illinois State Fair and Juno A 6th was one of the grandest cows that was ever brought out of Scotland. When you buy this heifer you get one of the breed's top specimens.

Oakwood Command's Missie is a heifer that we predict will develop into a great breeding cow. She has the head and front of a brood cow with depth of body, thickness and she is smoothly turned. Four International Grand Champion bulls on top of the \$20,000 Imported Rodney should leave no doubt as to her possibilities. The Edgcote Missies have proven exceptional breeding cows and we consider her four top dams as four of the best producers of show cattle that we have owned. A son of Oakwood Missie 5th topped his class at the 1941 International and is siring outstanding calves for Senator Clements in Kentucky. Another son is heading the Crews' herd in Kentucky and this is her first daughter. Her worth is beyond doubt.

Master's Thuster Rose is a heifer that we would like to retain in our herd for many reasons. She is an ideal type; sweet headed, very deep bodied, compact, wide from end to end and one that looks like a real breeding prospect. She is a granddaughter of Oakwood Emperor, and Imported Kinellar Outlaw sired many of the best breeding cows in Canada, as well as in this country. They are in the best herds and not being offered to anyone. The dam of this heifer was one of the best females offered in the 1939 International Sale and, while there are only a few select members of this family in the United States, they are of the very best and certainly a family to tie to. Some far sighted breeder will build a fortune around this heifer and her descendants. Mated to Oakwood Major, her appeal is complete. We would like very much to own her calf.

**Oakwood Rosewood 18th** — If you would add prestige to your herd here is a heifer that can qualify to accomplish just that for you. A heifer of class and quality, she is sweet headed, short legged, deep bodied and true in her lines. Observe the three International Grand Champion sires on top of four of the best bulls of the breed and all on a Bruce Rosewood foundation of the finest. The dam of this heifer is one of the best daughters of Oakwood Royal King and her bulls and females alike have gone into top herds. Every one of them has made good and so will this heifer. She is worth all she will cost, regardless of the figure, to found a profitable and ever popular family in your herd. Don't lose her and then regret it!

Oakwood Mistress 5th is another of this great family of Missies descending from Imported Mistress Ethel who was one of ten cows selected from the noted Edgcote herd and rated as the strongest lot of females ever to leave Scotland as well as being the best group ever imported by Carpenter and Ross. Price did not prohibit our buying Maxwalton Missie F, for she looked the part of a great producer. We ask the public on Sale day to study her descendants being offered and see for themselves what an outstanding female can do for a herd. Four top sires were all winners of championships at the International. Oakwood Resolution was exported to Australia where he has sired many winners for Douglass Munro; Oakwood Rodney was exported to South America and the other two have similarly spelled definite progress for Oakwood Polled Shorthorns. This heifer is a full sister to Oakwood Magic King, the outstanding sire in service in the Leemon herd in Illinois. We can recommend her fully and we will watch the progress of the herd into which she will go, for she is of the most desirable pattern and bloodlines.

We offer you Oakwood Rosewood 15th. She is a dark, even roan that looks every inch a brood cow. She is short legged, deep bodied and full of quality. Analyze her breeding and consider her four top sires, International Grand Champions all of them! Add to that four of the best Shorthorn bulls in the breed and you have every reason for complete confidence in the worth of this most richly bred Bruce Rosewood. This is one of the families responsible for many of our best cattle, including three of our bulls to win championship honors at the International. Every buyer of this family has been most enthusiastic about the way they breed on. We have mated this heifer to Imported Gosshall Ximines and it goes without saying that we have unlimited faith in the superiority of the calf from this mating. The purchase price of this heifer will be of small moment when the calf she is carrying is dropped. You can't go wrong on Oakwood Rosewood 15th if you want to make a truly profitable investment.

Oakwood Estelle 19th — This heifer is the only member of the Estelle family we are selling. She is from a dark roan full sister to Oakwood Emperor, a truly distinctive cow and a Junior Champion as a calf. A full sister sold to Lynnwood Farm in 1941 and it was another member of the Estelle family that was the top selling female of 1941, when Dr. and Mrs. Parke G. Smith purchased Oakwood Estelle 15th as the high-spot of our auction. This heifer will make a great producer and her buyer will get one of the most richly bred females ever offered.

Pictured above is Oakwood Mistletoe 3d who is obviously the kind that makes the best breeding cows. Her worth is beyond doubt and she will appeal to the most critical buyer who aspires to add to his herd a heifer of unquestioned worth. Her dam is a heavy milking cow, a consistent producer of good calves and she is the only daughter in our herd by Oakwood Consul, the Grand Champion bull at the Royal Easter Show in Australia. With her four top sires each a championship winner, backed by this most popular Missie family and selling mated to Imported Gosshall Ximines, we know there will be a host of buyers eager to own the calf she is carrying. If your aim in breeding Polled Shorthorns is high you'll appreciate the value of this heifer. Her calf by this great bull will easily liquidate her cost.

This solid red heifer, Oakwood Orange Blossom, will appeal to the critical breeder. Her color, type and breeding are all tops. Her dam is one of the best cows we secured in the Burns' dispersion and is a deep, dark roan cow that furnishes milk for two calves. She, Collynie Orange Blossom, is a three-quarters sister to Mayflower Maid 4th, the Grand Champion at the 1941 Congress Show and Sale and now in the Lynnwood herd, as well as to Naomi Clipper, our 1942 Congress Champion purchased by Mrs. M. J. Herr. Here is a grand heifer, deep in polled blood, richly bred and from a family that has produced many of the finest cattle of the breed. We do not know her worth, but if you want a good breeding cow, she can be one of that kind. Don't overlook her!

We have three daughters of Oakwood Mistress in our herd and this is the first one we have ever offered for sale. Oakwood Mistress has been a consistent top producer. Her first bull calf stood second to the Junior Champion at the International and was exported to head the best herd in New Zealand. Oakwood Royal Rodney, 1937 Junior Champion was her second son, selling to Sir Eric Killen of Australia at \$2000. Her third son went to Moise Cerf in Texas and proved an outstanding sire. The fourth son went to South America and we are retaining Oakwood Major, her last son and a full sister to Oakwood Merry Mistress, for service at Oakwood. She promises to be as valuable a brood cow as we have ever sold and she goes into the sale only as an attraction. Outstanding as an individual, her pedigree sparkles from top to bottom with bulls of note who are numbered among the top sires of two continents. Study this heifer, analyze her pedigree and the records of her brothers and sisters. Think in terms of what she could do for your herd, for she sells mated to Imported Gosshall Ximines.

Edellyn Silver Mercury—sire, Calrossie Mercury 1957318 by Calrossie Control (255913), out of Calrossie Augusta Opal (179796). Dam, Edellyn Orange Blossom 9th 1706478 by Edellyn Brownwood 1533256, out of Cambus Apple Blossom 1558560.

Oakwood Emperor—sire, Oakwood Royal King x1574357 by Village Count x1426114, out of Phyllis Lassie 6th x1443150. Dam, Oakwood Estelle 4th x1712554 by Oakwood Baron x1340365, out of Milrig Estelle 1255885.

Royal Count H—sire, Royal Marshal x1009319 by Proud Marshal x577117, out of Lassie's Pride x154014. Dam, Lily 5th x969735 by Airdrie x572184, out of Lily 4th x470782.

Mercury's Roan Lady is a granddaughter of both Calrossie Mercury, the Supreme Champion at Perth, Scotland and Oakwood Emperor, 1936 International Grand Champion. One generation further removed is Calrossie Control, leading sire of Scotland and Oakwood Royal King, peer of Polled Short-horn sires in the United States. Her dam was shown successfully as a calf, yearling and two year old. Her second dam was undefeated in 1937 at all the state fairs and the International, returning in 1938 to top her class at the International after nursing a pair of twin bull calves. This heifer is being offered mated to Oakwood Major, the outstanding son of Oakwood Merry King that we are retaining. We expect a great calf from this mating and Paul II is proud to present such a grand heifer as his initial offering to the Polled Shorthorn fraternity.

## The Perth Champion —

Left — Imp. Calrossie Mercury, champion at the Perth Show in Scotland and now chief stock bull in the Shorthorn herd at Edellyn Farms, Wilson, Ill. We recognized this blood as a prepotent influence in moulding modern Shorthorn type and we bought one of his best sons in order that this blood might be made available to Polled Shorthorn breeders.

## His Son . . . in Service in Our Herd —

Right—Edellyn Silver Mercury, the son of Imp. Calrossie Mercury that we purchased in 1941 in partnership with C. C. W. Middleton, Granville, Ohio. His calves are outstanding. We are keeping many of his daughters. Only in such a sale as this . . . and at Oakwood, can heifers of this breeding be secured.

Mercury's Rosewood is a beautiful dark, even, roan heifer of show yard promise and richest bloodlines. This is the first opportunity that Polled Shorthorn breeders have had to purchase a granddaughter of the noted Perth Supreme Champion, Calrossie Mercury, and this heifer looks like she could make a top matron in the best herd in the country. She is a perfect dark, even, roan; low-set, thick, compact and sweet headed; just the sort you would expect from a dam with three International Grand Champion bulls at the top of her pedigree and her mating to an outstanding breeding son of a Perth Champion. We do not forecast her worth if you want the best, but we know her kind is rarely available.

**She will make  
her owner  
famous.**

Naomi Clipper, the 1942 Congress Sale Champion female that was consigned from our herd and sold to Mr. and Mrs. M. J. Herr, Lakewood, Ohio. The dam of Lot 26 in this sale is a three-quarter sister to Naomi Clipper.

Lady Mayflower 11th is a solid red heifer we had planned to retain in our breeding herd, but to strengthen the offering we are listing her, as her dam has a most outstanding heifer calf again, one that really looks the part of winning championship honors. Her dam is a solid red, heavy milking cow who is bred like the dam of our 1941 Congress Sale Champion who was selected by Lynnwood Farm and is today one of their top females. This Mayflower family has produced many of the breed's best cattle and we have mated her to Imported Gosshall Ximines. Study the calves by this bull on sale day and you will resolve to own this grand heifer. She will build a great family in any herd and the cost of her kind is a secondary consideration, for with such females one achieves prominence!

Mayflower Maid 4th and Oakwood Happiness 4th, the two top-priced females of the 1941 Polled Congress Show and Sale. Consigned by C. B. Teegardin & Sons. They won the trophy for best pair consigned by one breeder, which was presented by Mr. and Mrs. Lynn, owners of Lynnwood Farm, Carmel, Ind. Tee-gardin & Sons repeated this winning again in 1942 with a full sister to the one heifer and a three-quarters sister to the other one. Only Oakwood Polled Short-horns have made such a record at the National Polled Shorthorn Congress events. Lot 27 in this sale is a full sister to Oakwood Happiness 4th.

Oakwood Happiness 5th comes from a family that has produced many of our best show and breeding animals, including Oakwood Commander, 1940 International Grand Champion, Oakwood Harmony, three times a championship winner at the International, Oakwood Impression, who was exported to Australia at \$2000 after two very successful years of showing, and Oakwood Lieutenant Commander, the grand young bull being offered in this sale, along with her full brother, Oakwood Royal Heir 2d, who is likewise selling. She is backed by three International Grand Champion bulls and is selling bred to Imported Gosshall Ximines. This mating should insure a calf of championship calibre and it will be bred right to reproduce its excellence.

Juno of Alpine 5th is a grand-daughter of Oakwood Emperor, who should calve to the service of Oakwood Nonesuch before sale day. She is a heifer we feel should stay in our herd for we are confident that she will be one of the best breeding cows we have ever offered. Analyze her pedigree, consider the bulls back of her and then remember that this family has been most popular with critical buyers. Down through the years they have made a definite contribution to breed progress. They have been good cattle for they were bred to be good. You may buy her with fullest confidence that you are getting one of the most desirable heifers to be offered in any sale, anywhere.

Loch Dale Gloster is a daughter of the International Grand Champion Lee Dale Collynie and her dam is by the same sire as the International Grand Champion Ceremonious Goldspur. As a brood cow she is outstanding, deep bodied, roomy, short of leg, level in her lines, smooth and with the head and front of a real producer. Her breeding is of the best. These 34th branch Duchesses of Gloster rate at the top and she will make history for some herd. What she may cost isn't important, but it is important to realize the fact that if you get to the top in breeding Polled Shorthorns, it will be her kind that will get you there. She is well forward in calf to Imported Gosshall Ximines and if the buyer is agreeable, we would be glad to have an option on the calf she is carrying.

A real prospect for a breeding cow is Mina's Royal Maiden who comes from the noted Campbell Mina family, famed for producing many of the breed's best cattle. Royal Count Jr. came from this family and proved himself to be one of the greatest show and breeding bulls of all time. This heifer is thick, compact, deep bodied and a prospect you can buy with confidence. She is well forward in calf to Imported Gosshall Ximines and that calf could be worth a fortune. Glenwood Lady 66 is a dark roan heifer that we purchased as our choice of the females offered in the Ranck Sale. She looks like a real brood cow prospect and we wanted her to mate to Imported Gosshall Ximines. She has a beautiful Marr Roan Lady pedigree in which appear the names of sires that have been among the best, those that have helped bring breed history up to date. In addition to having a perfect color, she has thickness, substance, depth, full quarters and a sappy hide. We shall expect a calf of unusual promise from this good heifer and Imported Gosshall Ximines. If you pass her, you'll regret it.

Glenwood Cavalier—sire, Mardale's Emblem x1451975 by Mardale x1273403, out of Countess Duchess 10th x1283717. Dam, Glenwood Lavender 3d x1394654 by Rosewood Supreme x866246, out of Glenwood Lavender 2d x1150457.

Those who are seeking the low set, deep bodied, compact kind will like Emblem's Lady Primrose. She is a very dark roan, almost red, and she is just as attractive as her color. She comes from a long line of great producing cows in the strong Ranck herd and she will make a grand cow herself. Her sire is a grandson of Collynie Type 3d, the great sire in service in the Lynnwood herd, and every bull in her pedigree from top to bottom is a sire of recognized repute. We have mated this heifer to Oakwood Nonesuch and we feel she is sure to produce a sensational calf. Study this heifer, then the bull she is mated with and be convinced!

Nonpareil Golden Lady is a heifer that can go into the strongest herd in the land; ideal in color, perfect in type and faultless in her inheritance. Few thicker heifers were ever produced and she looks the part of a history making brood cow. Her dam was an ideal breeding cow, a heavy milker and one bred in the purple. She is a granddaughter of the well known Hercules Field Marshal, out of a dam by a grandson of Browndale Count, followed by Bridgebank Jolly Tar, who sired the undefeated champion, Dorothy Anoka. This heifer and her full sister were offered in our 1942 Sale and Mrs. A. S. Hewitt took them both. After the sale she told us she would be willing to take another heifer she had seen here and leave this heifer. We were happy to make the exchange and we offer her for public approval. You will all recall she was a grand heifer last season. She could top the best sale in 1943 for she is well forward in calf to Oakwood Nonesuch and we call it a perfect combination and sure to make some real history for the breed when that calf arrives.

**A better bred heifer  
would be

Maxwalton Rosewood 88th is the last word in breeding, type, brood cow character and color. She is only going into the sale to make it a super event, for we had never planned to offer her. We do not have a picture of her, but after a careful analysis of her pedigree, we know you will want to see her. When you see her you will understand full well our confidence in her future. No Bruce Rosewood carries stronger breeding and no cow ever left more outstanding breeding bulls and females than did Imported Rosewood 86th and her daughter, Imported Rosewood Pride. Those who attended our 1942 sale will recall the great daughter of Oakwood Merry King that went to W. H. Kilcawley, Canfield, Ohio at \$1000. The dam of that heifer was bred like Maxwalton Rosewood 88th and we thought we could do no better than to breed this heifer to that same bull. She is well along in calf to Oakwood Merry King and we would be happy to have an option on this calf, bull or heifer, for we know it will be most outstanding.

Alpine Dorothy 7th is a solid red granddaughter of Oakwood Emperor, sired by one of his best sons who headed his class at the Illinois, Indiana and Ohio State Fairs. Note the rich inheritance this heifer carries, not a poor bull in the pedigree and that is what it takes to make them worth while producers. The Lady Dorothys are a strong family and a full sister was selected by Mrs. A. Mackay-Smith from our 1942 sale. This heifer is of show ring pattern, a 1943 model and a real one. She will be popular with discriminating buyers and she sells mated to Oakwood Nonesuch. Some history could well be written here!

Maxwalton Clara 20th could be a top female in any herd. A show heifer from end to end, ideal head and front, deep bodied, thick, low-set, wide from front to rear and a dark rich red in color. Her pedigree contains the names of bulls who have made history down through the years, every one a bull of national fame. The Marr Claras have produced many outstanding cattle and when you study this heifer and consider her heritage you will aspire to own her. Mated to Oakwood Nonesuch, she will immediately be recognized as one of the most outstanding females ever sold. You'll mark her when you pick out the best.

Lady Cowslip 5th is one of the thickest, most compact, shortest legged heifers in the offering. She is a beautiful dark even roan and she comes of a most popular and dependable family—Scotch breeding of the best. Consider what she could do to strengthen the position of your herd, what a family of her kind could mean to your future and then resolve to own her. She will find a host of admirers, for she is selling bred to Oakwood Emperor, the sire of Oakwood Nonesuch. We bred her to him, for the dam of Oakwood Nonesuch is of the same type and conformation as Lady Cowslip 5th. A calf of great promise is assured.

Rosewood 134th is a rich roan granddaughter of Oakwood Emperor and her dam was conceded to be the best female offered in the 1939 International Sale. She was a show heifer who is proving herself a real producer. We have her dam and a heifer calf from her, else this heifer would be staying at Oakwood. Study her pedigree from top to bottom. Every sire is a bull of known repute and every dam a cow of recognized excellence. This heifer is selling mated to Oakwood Nonesuch and her worth should be most apparent. The Rosewoods descending from Rosewood 86th are numbered among the best cattle in the finest breeding herds everywhere and this heifer is equal to the highest standard in brood cow excellence. This deep bodied, broody Rosemary heifer is one to tie to for many reasons. Her pedigree is faultless. Her dam is one of the best cows we have seen in any herd. Her sire is intensely bred in the blood of Royal Count Jr., a bull who sired more first prize and championship winners at the International than any other bull of his time. There isn't a bull in her pedigree that doesn't represent breed progress. Finally, she is mated to Oakwood Nonesuch! You cannot estimate her worth if you want to produce the gilt-edged kind.

**Mated to the  
best imported  
bull in America —**

Victoria Maid 3d, a beautiful foundation heifer purchased from us by Montana Hall, White Post, Virginia, where she has produced an outstanding calf. She is a full sister to Lot 42 in this sale.

Victoria Maid 6th represents about all one could desire in a breeding cow. Red in color, short legged, deep bodied and breedy, she has a beautiful Lynnwood Victoria pedigree that contains only the names of the best bulls in history. This family was responsible for the fame of the great herd developed by the master breeder, J. H. Miller, and there isn't a stronger Lynnwood Victoria pedigree in the herd books than this one. This heifer is a full sister to the splendid heifer that went to Montana Hall at \$805. in our last sale; another sister sold to Farnley Farm. She sells mated to Imported Gosshall Ximines. Study her, consider her heritage and try to estimate what she could be worth to you, mated to the greatest bull that ever came to America.

Browndale Butterfly 3d is a daughter of the great solid red sire, Browndale Golden Victor. Those who have attended our past two sales have been impressed with the daughters of this great breeding bull. Each has gone into good hands and developed into real brood cows, the quality that will pass muster in any competition. No Polled Shorthorn heifer has a more intensely bred inheritance in the blood of Browndale; her sire, her grand sire and her great grandsire are every one great bulls and each has had a part in making the Browndale Dynasty so renowned. This heifer appeals to us and her pedigree, a Butterfly of the highest status, is perfect. Selling mated to Oakwood Nonesuch, her worth is difficult to estimate!

Ideal in color, perfect in type and bred in the purple. This Marr Bessie heifer is a show heifer and one that cannot fail to make history as a brood cow. Her sire is a noted son of the well known Scottish Peer, and her solid red dam is by Elm Grove Coronet, who headed his class many times for Elm Grove Farm. Royal Guard is a son of Royal Count Jr. and he, too, was a grand show bull and sire. Cumberland Sultan was an International Junior Champion. The dams are equally eminent and would be top cows anywhere. When you own this heifer you get the kind that will make your herd more renowned. Progress is written with her kind.

**Augusta 30th** is about all that could be desired in a real breeding female. She looks every inch a brood cow. You will note that she is sired by Oakwood Impression Jr., a son of the \$2000 Oakwood Impression, who was by Oakwood Royal King. Oakwood Impression Jr. sired the top selling bull in the 1942 Congress Show and Sale and the Grand Champion female in the 1943 Omaha Sale and Show. Oakwood Chancellor was a first prize winner at the American Royal and the International, where he topped the sale. He was by Royal Count Jr. and out of the dam of the Australian Champion, Oakwood Consul. The third sire was a son of the International Grand Champion, Ceremonious Sultan, followed by a Cumberland bred bull and two crosses of Whitehall Sultan in Combination and Victor Sultan. Such heifers are rarely offered and we feel she will be a favorite with all good breeders. Own her and you will have one of the best! Due to calve before sale time to the best young bull sold in the 1942 Thieman Sale.

Augusta 116th is a solid red daughter of the noted sire, Collynie Fascinator, and we selected her as our choice of the Hultine Sale offering to mate with Oakwood Nonesuch. She is smooth, breedy about her head, level and full of quality. The Augustas are most popular and the calves from this heifer's dam have been top individuals. Eastern breeders should have much interest in this heifer.

Lynnwood Victoria is a solid red of the ever popular Victoria family. Her dam was one of the top females in the 1941 Congress Sale, a show type and a real breeding cow in the Lynnwood herd. Her sire is by a grandson of the International Grand Champion, Browndale Goldspur, and her dam is by a son of Oakwood Chancellor, first prize winner for us at both the American Royal and the International. Note the depth of polled breeding; study her on sale day. She will be among the most attractive with her perfect color, her depth of body, her thickness, her general quality. She is well along in calf to Imported Gosshall Ximines and that should strengthen her field of admirers. Own her and you can breed the best.

Violet of Oakwood is a beautiful dark roan daughter of the great sire, Browndale Golden Victor. Heifers of her calibre will establish any sire in the public eye. When you study the daughters of Browndale Golden Victor on sale day, you will say that he is one of the breed's best sires and that this heifer is one of his greatest daughters. Study her head, her depth of body, her roominess, her thickness, her balance, for every inch she is a top specimen. Her pedigree sparkles with outstanding sires, each a bull of known performance; from top to bottom they strengthen her claim to fame. Her cost is negligible. When her kind is available, price is not a determining factor.

Royal Regent—sire, Royal Guard x1638330 by Royal Count Jr. x1053938, out of Lady Marshal 2d x1498610. Dam, Marigold Blossom x1872569 by Elm Grove Regent x1754830, out of Elm Grove Marigold 1507437.

Roan Crest—sire, Bellevue Crest x1864099 by Zendale Bandmaster x1587059, out of Lady Dorothy 20th 1566579. Dam, Beauty's Ann x1902910 by Glendale Pride x1583766, out of Roan Beauty x1224938.

Glendale Pride—sire, Mardale's Emblem x1451975 by Mardale x1273403, out of Countess Duchess 10th x1283717. Dam, Glenwood Lady 8th x1254339 by Rosewood Supreme x866246, out of Glenwood Lady 6th x1055999.

Mina's Sweetheart is a rich, dark, even roan of the Campbell Mina family and she has every promise of making a great cow. Her dam sells in the sale, this being her first calf and her grand dam was a cow of great depth, thickness and a heavy milker. We would like to see some young breeder buy this heifer and build a great herd from her. Her color is ideal, her breeding gives assurance of her worth and she is a top heifer individually.

*The Ohio Breeders Sale and the Teegardin Sale are to be held on consecutive days and are only twelve miles apart. With 100 head of the best Polled Shorthorns in America selling in these two events, it will be impossible to find a better source of supply for good seed stock.*

**OAKWOOD STOCK FARM**

**C. B. Teegardin & Sons**  
ASHVILLE — — OHIO

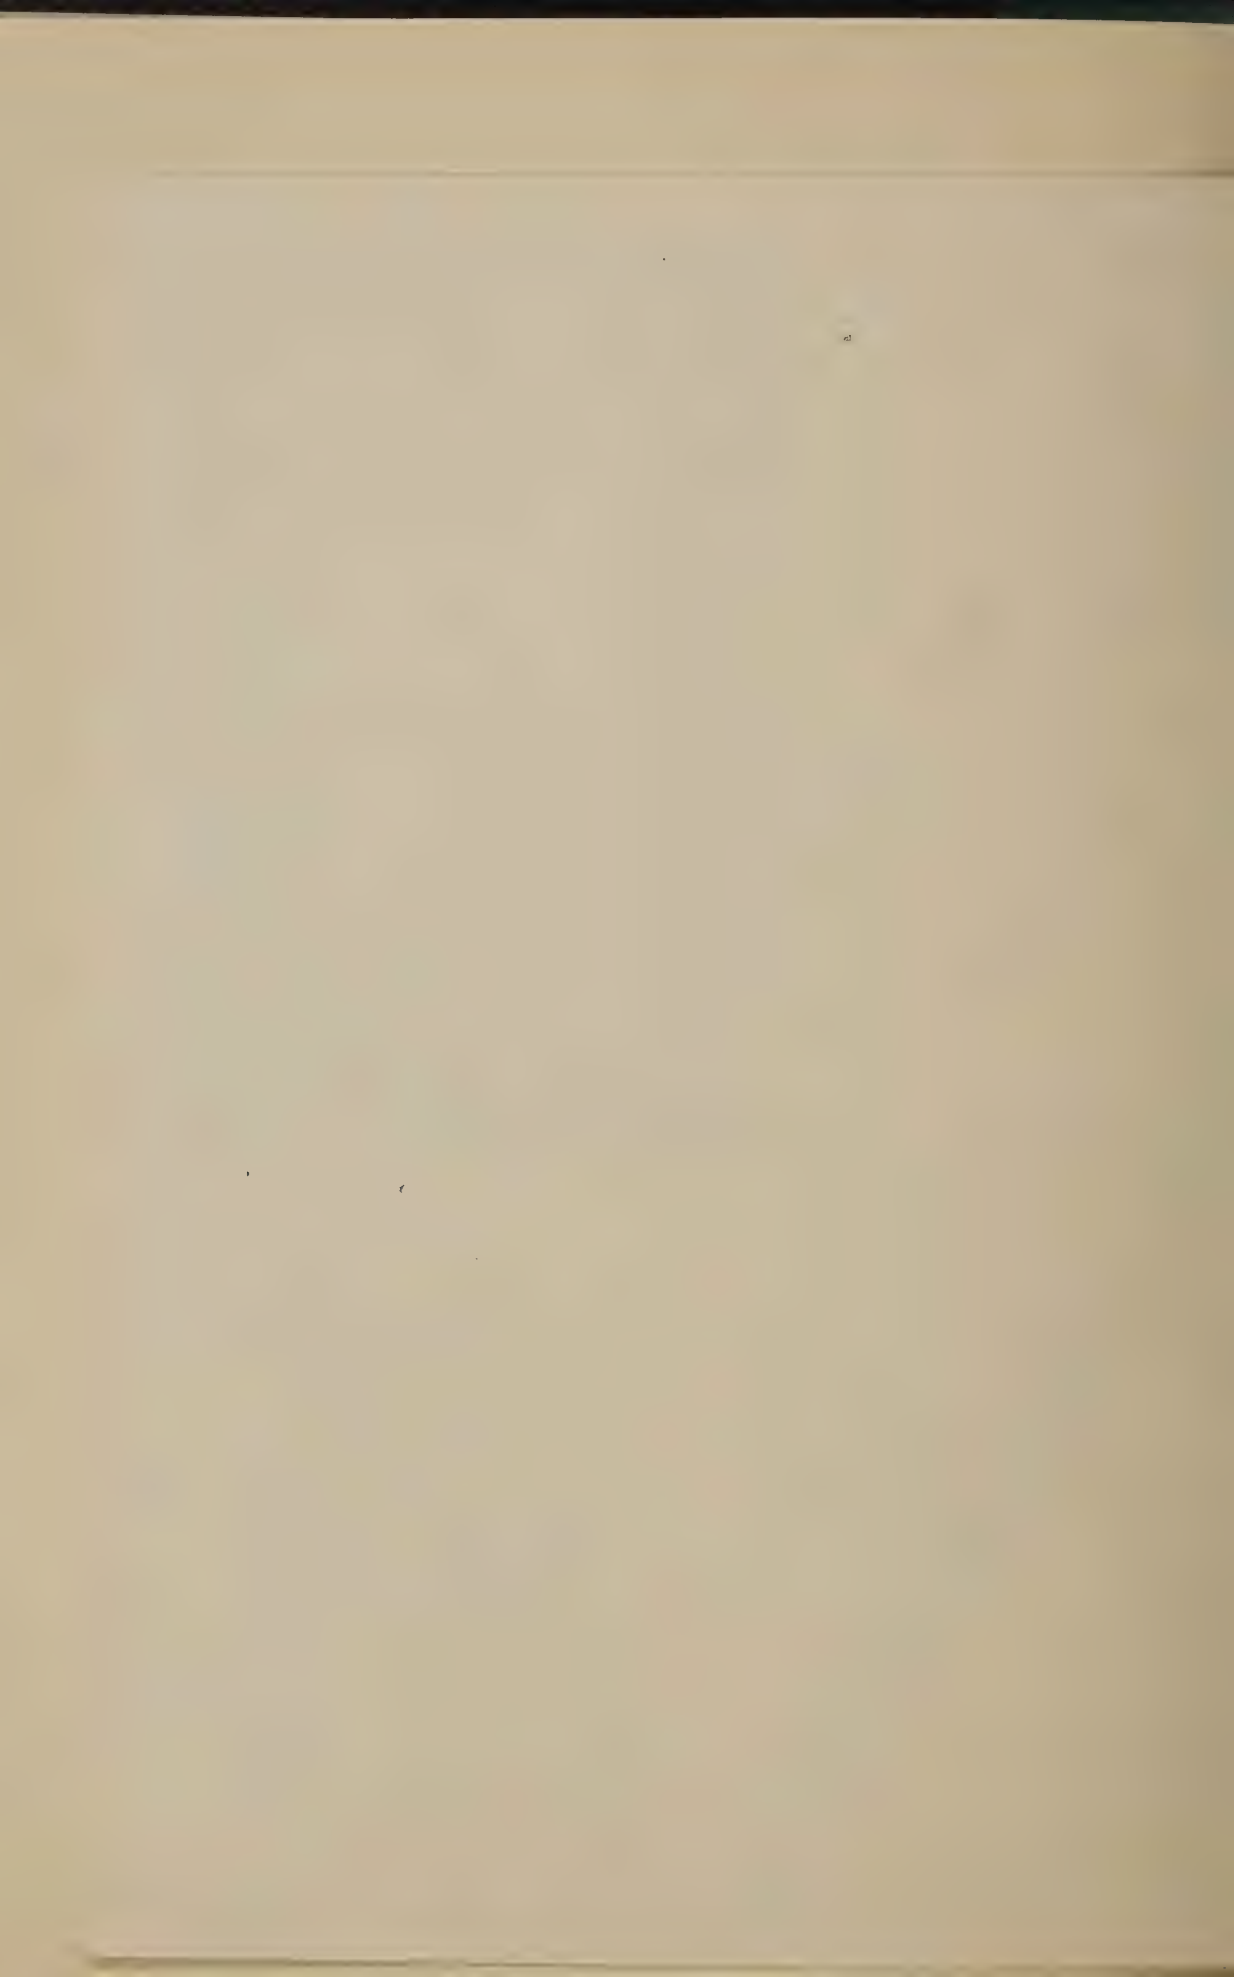

**MERIT BY INHERITANCE.**  
Only a master breeder can improve a great herd, year after year. Under the direction and management of Paul W. Teegardin, Oakwood herd has experienced a steady rise in popularity because each year its quality is a little better. Each successive sale distributes more Polled Shorthorns that improve the type and raise the quality of this useful breed. Nowhere can one secure Polled Shorthorns of greater merit than has been bred into this herd.—Will Johnson

**WHY GAMBLE?**  
When cows, such as constitute Oakwood Farms' herd, descended from these eight grand champions, are mated with such bulls as GOSSHALL XIMINES (IMP.) and OAKWOOD NONESUCH, there can be no doubt of successful results. Bulls are not required to do it all. In our Annual Auction Sale on November 15th, we shall sell females sired by each of six International grand champion bulls. All of them that are of breeding age will be safely with calf by Gosshall Ximines or Oakwood Nonesuch.

Oakwood Nonesuch, the best bull ever to bear the famous Oakwood name. He is a son of Oakwood Emperor. His dam is a deep, thick, compact, dark roan daughter of Oakwood Royal King. His dam's dam is a full sister to Oakwood Baron our first International grand champion and sire of our 1929 International grand champion.

BREEDERS OF

POLLED SHORTHORN CATTLE

U. S. ACCREDITED HERD 44285

BERKSHIRE HOGS

ASHVILLE, OHIO

We extend a cordial invitation to every Polled Shorthorn enthusiast to be our guest at Oakwood Farm, Monday November 15<sup>th</sup>, 1943.

The display of confidence of the buying public in our past three auctions, as indicated by the price precedents they established, inspires in us a firm determination to offer in this auction the best productions, both bull and female, of our planned breeding programme, covering a span of more than a quarter century.

Eight International Grand Champion bulls have been developed and used here. The influence of such sires will be reflected in this offering. With Oakwood Breuch and the addition of the great Imported bull, Gosnell Ximines, we feel our battery of herd sires is stronger than ever.

There can be no doubt that the cattle in this sale will write future Polled Shorthorn history — to that end we have given our all. We commend them for your approval with confidence that those who will avail themselves of this opportunity will be our friends and boosters in the future.

Sam D. Teegardin
